# RESILIENCE!

## The People's Film Festival Announces Its 2022 Lineup

The 11<sup>th</sup> Annual People's Film Festival TO OPEN WITH "IMPACT- DICK GREGORY" written & directed by Jordan Stone.

[New York, NY – May 2, 2022]

The People's Film Festival (TPFF), celebrates its 11<sup>th</sup> year with over 55 independent films, music videos, and PSA's that defied the COVID-19 pandemic, national protest and political strife. **The festival kicks off June 2 - June 5, 2022 at the AMC Magic Theater and Maysles Cinema in Harlem, NY.**

The Opening Night begins with the exclusive screening of "IMPACT- DICK GREGORY", a film written and directed by **Jordan Stone of Italy**. This film represents this year's theme "**RESILIENCE**" as it delves into the life of one of the most prominent, influential Black men in America and the entertainment industry. "**Impact - Dick Gregory**", is an intimate, real-time conversation between Dick and actor/activist Jane Fonda, actor Clarke Peters and director Ernest Dickerson. Jordan Stone's original concept was to share the quality time he spent with Dick and explore topics rarely discussed openly and see how America has been shaped and affected by history especially as Dick asks, "...why did the universe pick me to change things..."

Opening night will also feature **10 additional short films** beginning with "**Embarrassed**"- a short film PSA directed by **Oscar Winning film director—Sir Steve McQueen**, produced by **UK charity, Male Cancer Awareness Campaign and Lammas Park** to raise awareness and reduce embarrassment of Prostate Cancer to the black community. It stars Edris Elba OBE, Chiwetel Ejiofor CBE, Michael Ward and Mr. Morgan Freeman. "**WAKE UP! WHAT WOULD YOU DO TO CHANGE THE WORLD?**" directed by Ángel Loza, "**NOTHING IS REAL**" directed by Masa Gibson, "**WHAT'S THE MARK**" directed by Stacey Larkins, "**JUST US**", directed by Alycia L. Cooper, "**ZODIAK**" directed by Russian filmmaker REMI NOIR; music video "**LIVIN' IN THE LIGHT**" directed by Hannah Hefner, Emmanuel Henried, "**STRANGER IN THE PARK**", directed by Harlem filmmaker and Alumni David Djaco, "**ADONAI**" directed by Gil Green, Hess Wesley and "**THE BLUE CAVE**" directed by Muhammad Bilial.

"These last two years has been a difficult time for many", says Veronica Keitt, founder of The People's Film Festival, "however, as a 'people', *We Are Resilient!*" and I am proud to be a part of the creative community of filmmakers who stayed the course and did not let this pandemic stifle their creativity". This year The People's Film Festival will screen over 55 films—14 of which are made in New York, 20 are directed by women and we welcome back 5 TPFF alumni who will share with us their latest projects.

### **WOMEN IN THE SPOTLIGHT**

Once again, we place women in the spotlight to draw attention to the disproportionate representation of female directors in Hollywood and the film industry. Our Spotlight series: "**THE POWER OF SHE**", represents films with themes of women empowerment, love, relationships, documentaries, animation, sci-fi and more. These films are either made for and about women, or created and/or directed by women. On Saturday June 4, 2022, TPFF will screen three films directed by women which will be followed by a **Women in Media** panel at the Maysles Cinema. The films include: "**A BIRTHDAY PARTY**" directed by UK filmmaker **Victoria Thomas**, "**CRIMES AGAINST HUMANITY**" directed by New York filmmaker **Maria S. Gomez**, and "**REMOVABLE**" directed by New York filmmaker **Shu-Ying Chung**. Panelists include Award Winning **Film Director & Founder of The Muse Source, Sandra R. Nixon**; Award Winning New York & International Film Director and Actress **Jyoti Singh**; Diversity, Equity, and Inclusion Training Coach **Charlene Holmes**; **CEO/Founder of Imana Borena, Inc**; Film Director and Actress **Katie Mack of the Katie Mack Brand**; Associate Editor **Francesca Sharper** and **Zenaida Mendez- Director at MNN's El Barrio Firehouse Community Media Center**. Our online panelists who will be joining via zoom include, **Ezeani Chinaza** Content Creator from Nigeria, **L. Michelle Salvant - CCO at L Michelle Media**, Media & Content Development Coach, and film director **Trudy Rozani** of South Africa.

### **Special Screenings**

The Peoples Film Festival will show “**Embarrassed**”- a short film PSA directed by **Oscar Winning film director—Sir Steve McQueen**, produced by **UK charity, Male Cancer Awareness Campaign and Lammas Park** to raise awareness and reduce embarrassment of Prostate Cancer to the black community, multiple times throughout the duration of the 4-day festival in support of the Male Cancer Awareness campaign and to continue the efforts to raise awareness about prostate cancer in the Harlem community. TFFF will also screen the “**THE BLACK SPADES**”, a film directed by **Veronica Keitt** and Executive Produced by **David L. Baughan and Marion Frampton**, tells the story of original Black Spades members who initially established the organization to fight against the growing crime, drugs and violence that was plaguing their South Bronx neighborhood. Black Spades members both past and present will be in attendance for Q & A. “**The Uncle Nearest Story**” a film directed by **David Poag**, narrated by Emmy-Award winning actor **Jeffrey Wright**, tells the untold story of Nathan ‘Nearest’ Green, the first known African American master distiller on record, who is the slave that taught young Jack Daniels everything about whiskey. Uncle Nearest Premium Whiskey will be the Official Sponsors of the Filmmakers Networking Event.

Director **Damon Jamal** will close out the festival with his new film “**SURVIVAL**”. Survival is a suspense drama about an imperfect mom, Tally Frugé, who battles to keep it all together when young maniac Dax Lugast jumps into her car and orders her to DRIVE! After surviving the first few hours, Tally starts to work her charisma on her kidnapper in order to escape.

**The People’s Awards** will follow immediately after this screening, **Sunday, June 5, 2022 @ 1:00pm at the AMC Magic Johnson Theater**, in which we celebrate filmmakers, independent producers, community leaders and advocates.
